Daily Itinerary for May 17-22, 2010

May 17: Today we meet at the Salt Lake Airport for our flight to St. Louis or Kansas City, arriving in the early afternoon. Our luxury motor coach (restroom and DVD equipped) will be waiting to transport us to the Ozarks. Your director will share interesting and educational information along the way. Dinner will be at famous **Lambert's Café** (home of the "Thrown Roll"). Upon our arrival in Branson, we'll enjoy a relaxing evening at our lovely, well located hotel (Holiday Inn Express or Comfort Suites). Branson is well known for its entertainment, but folks are always surprised at its incredible national beauty – especially in the spring. We'll stay in the same hotel for the five nights we are here. **D**

May 18: Welcome to Branson. – the entertainment capital of America. We start off in a big way with talented **Brett Family**. The Brett's have been in Branson for 10 years now and are well established as one of the most delightful and genuine shows in town. After lunch, we'll enjoy a show with a new (and very popular) group in town – from Utah. They call themselves **SIX**. They are brothers that sing acapella and they are fun. After the show, we'll return to the hotel and rest for an hour before going out for our evening activity which is a delightful variety show and dinner on board the luxurious and beautiful **Showboat Branson Belle**. This continues to be one of the best activities in Branson that everyone loves. The food and entertainment are exceptional. **B, D**

May 19: The fun continues. This morning after breakfast at the hotel, we'll enjoy a morning production of the popular **Broadway, a Star Spangled Celebration**. This show features grand production numbers combined with excellent talent. After lunch, we'll have a chance to show you around town. Branson is about more than just shows. It is nestled into the scenic Ozark Mountains near lovely lakes and streams. It also has a history that is fun to learn about. Our brief tour will take us to scenic overlooks, quaint "Old Town", the interesting College of the Ozarks, scenic overlooks and more. After a rest at the hotel, we'll enjoy a delicious dinner at popular Shorty Smalls followed by Branson's funny man: **Yakov Smirnoff**. Yakov has been making people laugh in Branson for over 12 years and I guarantee he will make you laugh. **B, D**

May 20: We have a full day today beginning with a delicious breakfast at Bob Evans (order off the menu). Our morning show is in its third year in Branson and has become very popular. It's called **the Spirit of the Dance** performed by an internationally renowned Irish dance company. All of our groups have LOVED this show. After lunch, you'll have some free time to enjoy an extra show, relax at the hotel, visit IMAX, or do some shopping. One of the shows we'll offer is a very different show called the **Acrobats of China**, performed by the New Shanghai Circus, direct from China. It adds nice variety to our itinerary and is highly recommended. Alternatively, you could choose to see the famous **Shoji Tabuchi** (you can decide on the tour). After a rest, we'll have dinner at the Grand Country Buffet followed by Branson's original country music show: **The Presleys Country Jubilee**. The Presleys opened their theater in this location in the 1950's and the family has been performing in the same spot (in a much bigger theater now) for over 50 years! It is one of Branson's must-see shows. **B, D**

May 21: Today we'll enjoy several hours at Silver Dollar City which, in many ways, is the reason Branson is what it is today. **Silver Dollar City** is a recreated Ozarks town of the late 1800s and is full of ambiance, fun shows, great food and unique browsing. It is one of the most important and enjoyable places to visit in Branson (in a lovely setting). We'll then rest at the hotel before enjoying a delicious dinner at Landry's (steak and seafood). Our evening show is performed by Utah's own (and now VERY well established) **Hughes Brothers**. This is a family featuring 5 brothers, their spouses and many of their very talented kids. We were among the first to support their show 12 years ago – now they are one of Branson's most popular tickets. **B, D**

May 22: Today we'll enjoy a buffet breakfast at Golden Corral. We will then return to the airport for our flights back to Salt Lake. If time and schedule permit, we'll make some interesting stops along the way (like Precious Moments or the interesting Arabia or other options). **B**

Tour price includes roundtrip airfare, all transportation, lodging, 10 meals, 8 shows and is fully escorted by directors that have been to Branson many times. The only thing you will pay in addition to the tour price is lunch each day and souvenirs.

Registration Information:

To make a reservation, simply **fill out the attached reservation form and send it to us with a deposit of \$300 per person.** When we receive your deposit, we will mail you a receipt confirming that you are registered for the tour. A letter with instructions, hotel itinerary flight information (if applicable) and luggage tags will be sent 45-60 days prior to departure at which time the balance will be due. You do not need to pay the balance until after you receive that packet. We require final payments in the form of a check. If that is not possible, arrangements can be made to use a credit card. Webb Tours accepts Visa, Mastercard and Discover.

Cancellation Penalties

We understand that you may need to cancel your trip for whatever reason. If it is 60 days or more before departure, all money will be refunded. If it is within 60 days, we will charge you only what Webb Tours cannot recover. In some cases, we can recover all of it. In others, we cannot. Cruise lines, airlines, hotels and other service providers require funds in advance and have their own rules about what will be refunded once paid. We must follow their guidelines. For airlines, specifically, tickets are generally non refundable when purchased. However, most airlines will allow the value of the canceled tickets to be reused for future travel, though a penalty may be assessed to reuse the tickets. If you have to cancel, Webb Tours will work with other providers to obtain as much refund as possible for our travelers. Our travelers know us to be very fair in this regard.

Cancellation Insurance:

Cancellation insurance is also available should you be interested. The insurance provider that we use is a company called Travelex. You can learn about them at www.travelexinsurance.com. With this insurance, most of your money will be returned to you in case you have to cancel for covered reasons (illness or death of an immediate family member) at the last minute. The price for the insurance varies based on the price of the trip and the age of the participant (at the time the insurance is purchased). Prices are as follows:

Trip Cost	Ages 0-34	Ages 35-50	Ages 51-60	Ages 61-70	Ages 71-79	Ages 80+
\$1,000-\$1,500	\$64	\$78	\$84	\$105	\$150	\$229

If you are interested in the insurance, it is best to purchase it when your deposit is made as all preexisting conditions are waived. However, insurance may be purchased any time up to the point you make your final payment. Insurance cannot be purchased after your final payment is made. To activate your insurance, we need your premium and your birth date. **Insurance also includes \$50,000 in medical benefits, \$1,000 for lost baggage, \$250 for baggage delay and \$50,000 for Common Carrier AD&D.**

We travel to Branson in the spring, fall and Christmas season. This brochure describes our itineraries for **Springtime in Branson.** We offer ONE itinerary in May which is SIX DAYS and FIVE NIGHTS:

May 17-22, 2010

This brochure contains *general information* about our **Springtime in Branson tours.** The specific details about the tour you requested (including prices and daily itineraries) are described on the attached pages. We hope you can join us.

When you go to Branson, you expect several things:

- An all-inclusive tour so you can just relax
- A well organized tour with a variety of excellent planned activities, but ample time to choose some of your own activities as well.
- Good seats to the best shows in town
- Hotel rooms that are clean, comfortable, quiet and conveniently located
- Carefully chosen restaurants with great food
- Guides who know Branson inside & out, but more importantly, who are fun and who care about your experience.
- A motor coach that is comfortable, new and well equipped, and with excellent drivers.
- A fair price
- Assurance from someone who has been with us that we're everything we say we are

Just a brief note about each of the above bullets:

An all-inclusive tour: You want a tour that includes air, most meals, all shows and activities, lodging, guide service and some fun extras. Your up front price includes ALL of that.

A well organized tour: When we plan a Branson tour, every detail is considered. We have been to every show, every restaurant, and every activity that you'll see on these brochures. We know what people like and don't like because of the hundreds that have gone previously. On our Branson tours, your days will be full of activity but at a relaxed pace. We won't wake you too early in the mornings. We won't just see shows, but will participate in a variety of Ozark activities, with plenty of free time as well.

Good seats to the best shows: We reserve seats for all the shows well in advance (12-18 months). As a result, we generally get very good seats. In addition, when you see our show line up, please note that these are Branson's most popular shows. No two shows are alike. You'll see and hear tremendous variety of entertainment and each show will be very different. If you're skeptical about seeing multiple shows, don't be. Each is unique and WELL worth seeing.

Clean, comfortable, convenient hotel. We will be staying at the Holiday Inn Express or Comfort Suites during these tours. Both are clean, comfortable and well located. You'll be pleased with the accommodations.

Carefully chosen restaurants: Eating may not be the highlight, but it can make a good tour great. We pay close attention to the restaurants we choose. You'll enjoy a combination of great sit-down meals and only the best buffets. All breakfasts (not just continental) and dinners are included in the price. Also, our dinners are at places that cost a bit more than where most tours eat. We think it's worth it. There are many bad restaurants in Branson. We will take you ONLY to the good ones.

Comfortable, well equipped bus: We use Cavallo Bus Lines out of the Midwest. Buses are new and are equipped with video, restroom, excellent sound systems and air conditioning. And the drivers enhance the tours with their personality and expertise. We don't have randomly assigned drivers. They are drivers that we have used in the past so we know they are excellent.

Excellent guides: The guides are one of the most important parts of the tour. Guides perform at least four functions: 1) They keep things moving according to the schedule, 2) They facilitate a fun, relaxed environment, 3) They inform about topics or places of special or historical significance and 4) provide solutions to any problems which may occur. Our guides are specially chosen and are well qualified in all areas. They are sensitive and caring, as well as knowledgeable and fun. They have been to Branson MANY times. In addition, we'll have a car available at the hotel in case any unexpected need arises which would require the use of a car and driver.

A fair price: To my knowledge, we have never taken a single person to Branson that didn't feel they got their money's worth. Because our business is relatively small, our overhead is low (especially compared to some competitors). That means we can offer an excellent, first class tour for a very reasonable price. Of course, a fair profit is built into that price. We encourage you to compare prices, but **please** consider what is included in the tour and the level of accommodations. We notice that many companies include lesser quality (and therefore cheaper) shows, leave out key attractions, eat at second rate restaurants and use older, economy lodging to get the price deceptively low. Be careful. I could shave \$100 per person from the price of our tours by doing the same. However, our strategy is different. We give you all of the best that Branson has to offer. And because of our low overhead, we are still less expensive than most.

Assurance from somebody else: It's easy for me to say nice things about our company, I'm the owner. If you'd like to ask somebody that has been on our tours, we can easily arrange that.

BRANSON GUARANTEE: I hope we don't sound arrogant, but we are so confident in Branson and our ability to provide you with the best possible Branson experience, that we **GUARANTEE** you'll have a great time. In fact, if you don't, we'll give you \$100 toward your next tour with us or any other tour company. You won't see anyone else make that claim (we have yet to have anybody ask for it).
