Registration Information:

To make a reservation, simply **fill out the attached reservation form and send it to us with a deposit of \$400 per person.** When we receive your deposit, we will mail you a receipt confirming that you are registered for the tour. A letter with instructions, hotel itinerary flight information (if applicable) and luggage tags will be sent 60 days prior to departure at which time the balance will be due. You do not need to pay the balance until after you receive that packet. We require final payments in the form of a check. If that is not possible, arrangements can be made to use a credit card. Webb Tours accepts Visa, Mastercard and Discover.

Cancellation Penalties

We understand that you may need to cancel your trip for whatever reason. If it is 60 days or more before departure, all money will be refunded. If it is within 60 days, we will charge you only what Webb Tours cannot recover. In some cases, we can recover all of it. In others, we cannot. Cruise lines, airlines, hotels and other service providers require funds in advance and have their own rules about what will be refunded once paid. We must follow their guidelines. For airlines, specifically, tickets are generally non refundable when purchased. However, most airlines will allow the value of the canceled tickets to be reused for future travel, though a penalty may be assessed to reuse the tickets. If you have to cancel, Webb Tours will work with other providers to obtain as much refund as possible for our travelers. Our travelers know us to be very fair in this regard.

Cancellation Insurance:

To avoid cancellation penalties, cancellation insurance may be purchased. This insurance will reimburse you for the non-refundable cancellation penalties imposed if you must cancel your trip for a covered reason such as illness, injury or death to you, a traveling companion or an immediate family member. Other reasons for cancellation include Common Carrier-caused delays due to inclement weather, jury duty, or a documented traffic accident en route to departure.

The per person price for insurance for this tour is \$199

If you are interested in the insurance, it is best to purchase it when your deposit is made as all preexisting conditions are waived. However, insurance may be purchased any time up to the point you make your final payment. Insurance cannot be purchased after your final payment is made. Webb Tours is not the insurer and acts as agent for the insurance company. To activate your insurance, we need your premium and your birth date. **Travel insurance also includes \$2,500 for baggage loss, \$500 for baggage delay, up to \$50,000 for medical expenses and up to \$50,000 for medical evacuation.**

Currency Fluctuation:

Webb Tours reserves the right to adjust the rates if necessary in order to reflect currency fluctuations larger than 10% from those used in our tour price. This is not likely to happen, but we must protect against it. A shift of that magnitude would quickly erase our tour profits. Of course, if the fluctuation moves in the opposite direction, we will reduce your tour price.
