Daily Itinerary for November 14-19, 2017

November 14: Today we meet at the Salt Lake Airport for our NON STOP flight to Kansas City. Our luxury motor coach awaits. We'll be on the same coach with the same driver for the six days we are in Branson and the tour is escorted by someone who knows Branson inside and out. On the drive into Branson, your director will share interesting and educational information as we prepare for a fun week together. Dinner is included at the entertaining "**Lambert's Café**" as we make our way into the beautiful **Ozarks**. We'll stay at the Holiday Inn Express or Comfort Suites Thousand Hills (both excellent hotels). **D**

November 15: This morning we'll see an interesting *IMAX film* that shows us the history of the area in a moving Keith Merrill production. We will then show you around the area. Branson is more than just music. It is in a beautiful part of the country (in the Ozark Mountains) and there is some very interesting history. We'll enjoy a bit of show and tell this afternoon and you'll see what we mean. After a rest, we'll have nice dinner at the **Shorty Smalls** (delicious ribs) followed by an evening show: The *Andy Williams Christmas Show*. Of course, Andy's not there but a variety of carefully chosen entertainers perform a great Christmas show in Andy's beautiful theater. . **B, D**

November 16: This morning we'll enjoy a show that was a big hit last year in its first year. It's called "**All Hands on Deck**". It's a simulated World War II radio program featuring the music of the Big Band era, presented in a nostalgic way. After lunch, we've arranged a *back stage tour* at the Sight and Sound Theater. We will see the show (Miracle of Christmas) there later in the week, and you'll enjoy it a lot more having seen what goes on back stage. In the late afternoon, we'll enjoy an early dinner and entertainment aboard the *Showboat Branson Belle* as it sails on Table Rock Lake. This continues to be one of the best activities in Branson that everyone loves. The food, talent level, variety of entertainment and holiday atmosphere are exceptional. After the cruise, we'll enjoy a delightful *drive-thru display of Christmas lights* and decorations. It's an array of lights arranged in creative ways. We then have an 8:00 show with *The Dutton Family* who sold everything and moved to Branson (from Utah) several years ago and have become a household name. This is a very impressive family who owns their own theater in town and puts on an energetic and hilarious Christmas show. For many, it will be your favorite show. **B, D**

November 17: You'll have a free morning today. We'll provide some options and transportations, and you choose what is most interesting to you. After lunch, we'll enjoy "*The Hughes Brothers*" featuring a big with big energy and big talent (and very personable). Dinner is at **Montana Mikes** followed by our final show at Sight and Sound Theater. It's called *Miracle of Christmas* and it's an original musical production on Branson's biggest and most impressive stage in Branson. It is HANDS DOWN the number 1 show in town, and a great way to end our time in Branson. **B, D**

November 18: Welcome to Branson. We begin our shows today with the likable and entertaining *Brett Family*. The Bretts have been in Branson for 17 years now and are well established as one of the most popular family shows in town (and a favorite of all our groups). You'll see why. After a lunch break, we'll see the very talented *George Dyer* who has starred in many lead roles on Broadway and has now been in Branson for many years. Dinner tonight is at the **Grand Country Buffet** followed by our evening show with the talented *Presley Country Jubilee*. The Presley Family (no relation to Elvis) has been performing in Branson since 1959 and they are consistently EXCELLENT. **B, D**

November 19: Today we return to the airport for our flights back to Salt Lake arriving in the early evening. You will have enjoyed 10 GREAT SHOWS, eaten some delicious meals, seen the beauty of the area, learned the interesting history of Branson, and you'll have several new friends. **B**

Tour price includes all transportation, lodging, 10 meals, 10 shows and is fully escorted by directors that have been to Branson many times. The only thing you will pay in addition to the tour price is lunch each day and souvenirs. Note that flights directly into the Branson Airport were discontinued as of October, 2014 which is why we are flying to Kansas City or Tulsa. The interesting drive down gives us a chance to get acquainted and enjoy the interesting scenery.

Registration Information:

To make a reservation, simply **fill out the attached reservation form and send it to us with a deposit of \$300 per person.** When we receive your deposit, we will mail you a receipt confirming that you are registered for the tour. A letter with instructions, hotel itinerary flight information (if applicable) and luggage tags will be sent 45-60 days prior to departure at which time the balance will be due. You do not need to pay the balance until after you receive that packet. We require final payments in the form of a check. If that is not possible, arrangements can be made to use a credit card. Webb Tours accepts Visa, Mastercard and Discover.

Cancellation Penalties

We understand that you may need to cancel your trip for whatever reason. If it is 60 days or more before departure, all money will be refunded. If airline tickets are purchased prior to that time (with your permission), they become the property of the traveler and are not refundable. All other funds will be returned if cancellation occurs outside of 60 days. If it is within 60 days, we will charge you only what Webb Tours cannot recover. In some cases, we can recover all of it. In others, we cannot. Cruise lines, airlines, hotels and other service providers require funds in advance and have their own rules about what will be refunded once paid. We must follow their guidelines. For airlines, specifically, tickets are generally non refundable when purchased. However, most airlines will allow the value of the canceled tickets to be reused for future travel, though a penalty may be assessed to reuse the tickets. If you have to cancel, Webb Tours will work with other providers to obtain as much refund as possible for our travelers. Our travelers know us to be very fair in this regard.

Cancellation Insurance:

Cancellation insurance is also available should you be interested. The insurance provider that we use is a company called Travelex. You can learn about them at www.travelexinsurance.com. With this insurance, most of your money will be returned to you in case you have to cancel for covered reasons (illness or death of an immediate family member) at the last minute. The price for the insurance varies based on the price of the trip and the age of the participant (at the time the insurance is purchased). Prices are as follows:

If you are interested in the insurance, it is best to purchase it when your deposit is made as all preexisting conditions are waived. However, insurance may be purchased any time up to the point you make your final payment. Insurance cannot be purchased after your final payment is made. Webb Tours is not the insurer and acts as agent for Travelex. To activate your insurance, we need your premium and your birth date. **Insurance also includes \$50,000 in medical benefits, \$1,000 for lost baggage, \$250 for baggage delay and \$50,000 for Common Carrier AD&D.**

BRANSON, MISSOURI. It is a tremendous place to visit any time of year, but it's especially festive during the Christmas season which begins in early November. It's a feeling that's hard to capture on paper, but we can confidently say that it will be among your most memorable Christmas vacations. The entertainment is everything that you have heard it is... and more. But that's only the beginning. Read on.

We are delighted that you are considering a Branson Tour with Webb Tours, **Utah's Branson leader.** We've earned that title because:

We travel to Branson in the spring, fall and Christmas season. This brochure describes our itineraries for **Christmas in Branson**. We offer TWO itineraries: Both are SIX DAYS and FIVE NIGHTS which is plenty of time now that you can fly right to Branson and you don't lose a day with long bus rides to and from northern Missouri:

*November 14-19, 2017

*November 28-December 3, 2017

This brochure contains *general information* about our **Christmas in Branson tours.** The specific details about the tour you requested (including prices and daily itineraries) are described on the attached pages. We hope you can join us.

When you go to Branson, you expect several things:

- An all-inclusive tour so you can just relax
- A well organized tour with a variety of excellent planned activities, but ample time to choose some of your own activities as well.
- Good seats to the best shows in town
- Hotel rooms that are clean, comfortable, quiet and conveniently located
- Carefully chosen restaurants with great food
- Guides who know Branson inside & out, but more importantly, who are fun and who care about your experience.
- A motor coach that is comfortable, new and well equipped, and with excellent drivers.
- A fair price
- Assurance from someone who has been with us that we're everything we say we are

Just a brief note about each of the above bullets:

An all-inclusive tour: You want a tour that includes air, most meals, all shows and activities, lodging, guide service and some fun extras. Your up front price includes ALL of that. We don't ask you for money on the trip.

A well organized tour: When we plan a Branson tour, every detail is considered. We have been to every show, every restaurant, and every activity that you'll see on these brochures. We know what people like and don't like because of the hundreds that have gone previously. On our Branson tours, your days will be full of activity but at a relaxed pace. We won't wake you too early in the mornings. We won't just see shows, but will participate in a variety of Ozark activities, with plenty of free time as well.

Good seats to the best shows: We reserve seats for all the shows well in advance (12-18 months). As a result, we generally get very good seats. In addition, when you see our show line up, please note that these are Branson's most popular shows. No two shows are alike. You'll see and hear tremendous variety of entertainment and each show will be very different. If you're skeptical about seeing multiple shows, don't be. Each is unique and WELL worth seeing.

Clean, comfortable, convenient hotel. We will be staying at the newly renovated Holiday Inn Express, or brand new Comfort Suites. All are clean, comfortable and well located, and with excellent breakfasts (hot and cold food). You'll be pleased with the accommodations.

Carefully chosen restaurants: Eating may not be the highlight, but it can make a good tour great. We pay close attention to the restaurants we choose. You'll enjoy a combination of great sit-down meals and only the best buffets. All breakfasts and dinners are included in the price. Also, our dinners are at places that cost a bit more than where most tours eat. We think it's worth it. There are many bad restaurants in Branson. We will take you ONLY to the good ones.

Comfortable, well equipped bus: We use Cavallo Bus Lines out of the Midwest. Buses are new and are equipped with video, restroom, excellent sound systems and air conditioning. And the drivers enhance the tours with their personality and expertise. We don't have randomly assigned drivers. They are drivers that we have used in the past so we know they are excellent.

Excellent guides: The guides are one of the most important parts of the tour. Guides perform at least four functions: 1) They keep things moving according to the schedule, 2) They facilitate a fun, relaxed environment, 3) They inform about topics or places of special or historical significance and 4) provide solutions to any problems which may occur. Our guides are specially chosen and are well qualified in all areas. They are sensitive and caring, as well as knowledgeable and fun. They have been to Branson MANY times.

A fair price: To my knowledge, we have never taken a single person to Branson that didn't feel they got their money's worth. Because our business is relatively small, our overhead is low (especially compared to some competitors). That means we can offer an excellent, first class tour for a very reasonable price. Of course, a fair profit is built into that price. We encourage you to compare prices, but **please** consider what is included in the tour and the level of accommodations. We notice that many companies include lesser quality (and therefore cheaper) shows, leave out key attractions, eat at second rate restaurants and use older, economy lodging to get the price deceptively low. Be careful. I could shave \$100 per person from the price of our tours by doing the same. However, our strategy is different. We give you all of the best that Branson has to offer. And because of our low overhead, we are still less expensive than most.

Assurance from somebody else: It's easy for me to say nice things about our company, I'm the owner. If you'd like to ask somebody that has been on our tours, we can easily arrange that.

BRANSON GUARANTEE: I hope we don't sound arrogant, but we are so confident in Branson and our ability to provide you with the best possible Branson experience, that we **GUARANTEE** you'll have a great time. In fact, if you don't, we'll give you \$100 toward your next tour with us or any other tour company. You won't see anyone else make that claim (we have yet to have anybody ask for it).
