**Hawaii is one of those unique destinations that lives up to its hype and reputation.
Let us show it to you like only Webb Tours can!**

April 12, 2018: For those who want to spend two nights in **Waikiki** and enjoy the Polynesian Cultural Center, we depart today. We fly from Salt Lake to Honolulu arriving in the late afternoon. Transfer to your Waikiki hotel and enjoy a free evening in Waikiki at the Hawaii Waikiki Resort (2 minute walk to Waikiki Beach)

April 13: Free morning until 10:30. Scenic transfer to the North Shore to enjoy your day at the **Polynesian Cultural Center**, Hawaii's number one paid attraction. We'll enjoy island culture (presented by natives from several Polynesian islands), ambiance and a brand new evening stage show that is **EXCEPTIONAL**. A great dinner and IMAX film are also included. Return to your hotel around 10:30 PM

April 14: Free morning to enjoy Waikiki Beach or other activities in the Waikiki area. At mid day, we transfer to the cruise terminal to board the beautiful **PRIDE OF AMERICA** to begin our cruise. Ship sails at 7:00 PM this evening

IF YOU FLEW IN FROM THE MAINLAND TODAY, you'll arrive in the afternoon and be transferred directly to the ship.

April 15-16: Port of call in **Maui**. We have two days on Maui. Your first morning in Maui is free. Do your own thing or choose something offered by the ship. Our optional private excursion on the first day takes place in the afternoon. We'll depart around 4:00 and head for the top of the Haleakala Crater at 10,000 feet. The scenery on the ride up is breathtaking. After peering into the immense crater and enjoying the walking trails, we'll enjoy an amazing sunset before returning to the ship. On the second day in Maui, we'll visit the lush **Iao Valley** to see the famous Needle in Maui's most scenic area. We then drive a short distance to the whaling town of **Lahaina** for lunch and browsing in this charming ocean-side town. The rest of the afternoon is free. We sail around 4:00.

April 17: Port of call in **Hilo on the Big Island**. This is a place of RARE beauty and wonder. From 14,000 foot peaks (Mauna Loa) to an erupting Volcano (Kilauea) to the flower capital of the world. Our optional private excursion today takes us to **Hawaii Tropical Botanical Gardens** where we stroll through Hawaii's premier garden paradise featuring waterfalls, plants of all varieties and all in an ocean front setting. It is spectacular. We'll then visit **Volcanoes National Park**, see the smoking volcano, walk through a lava tube and see first hand how the volcanoes have affected the landscape. We'll then visit a **Macademia Nut farm** on our way back to the ship. Other excursions are available through the ship if ours is not of interest. As we head toward Kona tonight, we sail by **Kilauea** where the glowing lava, flowing like a river down the mountain and into the ocean, is visible. If conditions are right, it is an amazing site!

April 18: Port of call in **Kona**. Located on Hawaii's western shore where the slopes of Mauna Loa meet the sea is beautiful sun-drenched Kona. Our ship docks right in the quaint town so there is much to do within walking distance. Our optional private excursion today is a glass-bottom boat so you can enjoy the marine life. Or just stroll the town or choose a different activity through the ship.

April 19: Port of call in **Kauai**. For many, Kauai is the favorite island. And with good reason. You have a full day and a half to enjoy it (with overnight in port). Our optional private excursion is a full day activity featuring spectacular **WAIMEA CANYON**, the grand canyon of the Pacific (wow!) followed by a ride on the Wailua River to the famous **Fern Grotto**. We'll also see beautiful waterfalls, mountain scenery and enjoy lunch in a scenic setting.

April 20: Free morning in Kauai until 2:00. This afternoon, enjoy a 2 hour sailing along the fabulous **NaPali Coast**, Hawaii's most scenic coast. Just find a spot on the ship and enjoy it. You can only see it by foot, helicopter or from the water. These are sheer mountain cliffs plunging vertically into the ocean. You just have to see it to believe it. We arrive back in Oahu this evening.

April 21: We wake up in Honolulu today. We will enjoy a tour of Honolulu and a visit to **Pearl Harbor** with its newly opened Visitors Center. We'll transfer to the airport for our flight home, arriving the morning of April 22.
