A letter with instructions, flight information and more will be sent 90 days prior to departure at which time the balance will be due. You do not need to pay the balance until after you receive that packet. We require final payments in the form of a check. If that is not possible, arrangements can be made to use a credit card. Webb Tours accepts Visa, Mastercard and Discover for tour deposits.

Cancellation Penalties

We understand that you may need to cancel your trip for whatever reason. If it is 76 days or more before departure, all cruise money will be refunded. If it is within 75 days, we will charge you only what the cruise line charges us. If cancellation occurs between 75 days and 31 days prior to departure, you will forfeit your deposit. If it is within 30 days of departure, additional penalties (up to the total amount) will apply. For airlines, specifically, tickets are generally non refundable when purchased. However, most airlines will allow the value of the canceled tickets to be reused for future travel, though a penalty may be assessed to reuse the tickets. If you have to cancel, Webb Tours will work with other providers to obtain as much refund as possible for our travelers. Our travelers know us to be very fair in this regard.

Cancellation Insurance:

Cancellation insurance is also available should you be interested. The insurance provider that we use is a company called Travelex. You can learn about them at www.travelexinsurance.com. With this insurance, most of your money will be returned to you in case you have to cancel for covered reasons (illness or death of an immediate family member) at the last minute. The price for the insurance varies based on the price of the trip and the age of the participant (at the time the insurance is purchased). Prices are as follows:
